NOTES

- Transitional style with a wide, sloping track arm
- Customize your comfort with a power control that adjusts the recline, headrest and lumbar support
- Zero Gravity recline puts you in the ideal position that reduces pressure and gives you a feeling of weightlessness
- Built to last with Flexsteel's patented Blue Steel Spring™ seat system, providing unmatched support and durability
- Available in two luxurious top-grain leather choices that are durable for everyday use
- The power control includes a USB-A port for convenient device charging
- Removable backs for easy moving throughout the home
- The center console includes a storage compartment, wireless charging tray and pop-out cupholders
- Removable back for easy moving throughout the home
- The power control allows you to independently adjust the recline, headrest, and lumbar support.
- A separate home button returns the headrest, footrest, and lumbar support to their original positions with one touch.
- A USB port is included on the power control for powering electronics.
- Zero draw technology only uses power when the USB port is in use.
