NOTES

- Offers a smooth gliding motion as you sit
- Arms have distinctive sloped design with buried welt and cross-stitching
- Biscuit-tufted back for unique look and plush feel
- Built to last with our DualFlex Spring System—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- A power control independently adjusts the headrest and recline for a personalized sit
- A separate home button returns the headrest and footrest to their original positions with one touch
- High-density cushions consist of a high-resiliency, high-density polyurethane foam core
- Durable leather upholstery holds up in the most demanding environments
- USB port built into power control for convenient charging
- Elegant look and plush feel with biscuit-tufted back cushion
- Center console stores remotes, magazines, and other personal items
- Two beverage holders keep refreshments close at hand
- Power controls on both sides of the loveseat allow you to independently adjust the headrests and recline for a personalized sit
- Separate home buttons on both sides of the loveseat returns the headrests and footrests to their original positions with one touch
- Power controls on both sides of the sofa allow you to independently adjust the headrests and recline for a personalized sit
- Separate home buttons on both sides of the sofa returns the headrests and footrests to their original positions with one touch
- Power controls on each side of the loveseat independently adjusts the headrest and recline for a personalized sit
- Separate home buttons on each side of the loveseat returns the headrest and footrest to their original positions with one touch
- USB port built into power button for convenient charging
- The power control allows you to independently adjust the recline and headrest.
- A separate home button returns the headrest and footrest to their original positions with one touch.
- A USB port is included on the power control for powering electronics.
- Zero draw technology only uses power when the USB port is in use.
