NOTES

Lay-flat mechanism allows you to fully recline for a quick snooze or longer sleeping comfort

Extended footrest.

Removable backs allow for easy lifting and maneuvering through doorways.

Power allows you to smoothly recline to any position, adjust the headrests, and adjust the lumbar supports.

A single USB port is included on each power button control on styles with arms.

A home feature returns the headrest, footrest, and lumbar support to their original positions.

Home Button

The home button returns the headrest, footrest, and lumbar support to their original positions. To activate the home button, press and hold the button used to lower the footrest.

MyRecline F4 Mobile App

Download the free MyRecline F4 app to program memory positions and use your device as a wireless remote control.
