Printed samples may vary from actual swatches. Please refer to swatches for actual color.

NOTES

The power control allows you to independently adjust the recline, headrest, and lumbar support.

A separate home button returns the headrest, footrest, and lumbar support to their original positions with one touch.

A USB port is included on the power control for powering electronics.

Zero draw technology only uses power when the USB port is in use.

**Power Recline,
Headrest, & Lumbar**
