NOTES

- Storage console with two beverage holders houses remotes, magazines and more
- Pillow backs offer a mix of softness and support that's ideal for sore backs
- Curved arms with tailored arm overlay take pressure off your forearms
- Elevated look with bold, puckered stitching and thick welt edge
- Built to last with our patented Flexsteel DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- Power control independently adjusts the headrest and recline for a personalized sit
- Home button returns the headrest and footrest to their original positions with one touch
- USB port built into power control for convenient charging
- High-density foam cushions with high-resiliency polyurethane foam core and a soft fiber wrap ensure comfort that lasts
- Two color options of durable, cleanable 100% polyester fabrics to suit your décor
- Removable backs allow for easy lifting and maneuvering through doorways
- Pillow back offers a mix of softness and support that's ideal for sore backs
- Removable back allows for easy lifting and maneuvering through doorways
- The power control allows you to independently adjust the recline and headrest.
- A separate home button returns the headrest and footrest to their original positions with one touch.
- A USB port is included on the power control for powering electronics.
- Zero draw technology only uses power when the USB port is in use.
