**Stocked Colors**

Grey  
**202-80**  
Leather/Match

*swatches for actual color.*

*Printed samples may vary from actual swatches. Please refer to*

**NOTES**

The power control allows you to independently adjust the recline, headrest, and lumbar support.

A separate home button returns the headrest, footrest, and lumbar support to their original positions with one touch.

A USB port is included on the power control for powering electronics.

Zero draw technology only uses power when the USB port is in use.
