## **NOTES**

Available in more than 250 fabric options Also available in Performance fabrics - Revolution and LiveSmart

Center console features two cup holders and a storage compartment. Removable backs allow for easy lifting and maneuvering through doorways. Also available without nailhead trim (2882-62)

Power mechanism allows you to smoothly recline to any position. Single USB port is included on each power button control.

Also available without nailhead trim (2882-60M)

Also available without nailhead trim (2882-60H)

Also available without nailhead trim (2882-60)

Power allows you to smoothly recline to any position.

A single USB port is included on each power button control on styles with

The power control allows you to independently adjust the recline and headrest. A separate home button returns the headrest and footrest to their original positions with one touch.

A USB port is included on the power control for powering electronics. Zero draw technology only uses power when the USB port is in use.
