Also available with nailhead trim (2881-601H)
Also available with nailhead trim (2881-601)
Also available with nailhead trim (2881-60)
The power control allows you to independently adjust the recline and headrest.
A separate home button returns the headrest and footrest to their original positions with one touch.
A USB port is included on the power control for powering electronics.
Zero draw technology only uses power when the USB port is in use.
Power allows you to smoothly recline to any position.
A single USB port is included on each power button control on styles with arms.

Power Recline
& Headrest
