- Standard
- Optional

NOTES

- Clean, transitional design
- Padded, soft sloped track arms
- Gently rocks when not reclined and has safety locks to prevent rocking when reclined
- Adjust from an upright to a fully reclined position with the touch of a button
- Charge electronic devices with the dual USB-A port located in the power button
- Sustainably sourced wood frame delivers exceptional durability
- Contoured, high-density foam seat cushion provides lasting, everyday comfort and support
- Upholstered in your choice of more than 250 select fabrics, including those with performance and sustainability characteristics
- Handcrafted in North America
- Swivels a full 360 degrees and allows you to glide or recline from any swivel position
- Gently glides when not reclined and has safety locks to prevent gliding when reclined
- Adjust from an upright to a fully reclined position by pulling back on the side handle in the arm
- Adjust the recline and headrest positions with the touch of a button
- Charge electronic devices with the single USB-A port located in the power button
- Power allows you to smoothly recline to any position.
- A single USB port is included on each power button control on styles with arms.
- Lower the footrest by applying pressure to it in a downward motion. Lowering the footrest with the handle can damage the recliner.
- The power control allows you to independently adjust the recline and headrest.
- A separate home button returns the headrest and footrest to their original positions with one touch.
- A USB port is included on the power control for powering electronics.
- Zero draw technology only uses power when the USB port is in use.

Power Recline & Headrest
