NOTES

A clean, transitional design  
Padded, soft sloped track arms  
The center seat is stationary, and each end seat can be reclined  
Adjust the recline and headrest positions with the touch of a button  
Charge electronic devices with the single USB-A port located in the power button  
Sustainably sourced wood frame delivers exceptional durability  
Contoured, high-density foam seat cushions provide lasting, everyday comfort and support  
Upholstered in your choice of more than 250 select fabrics, including those with performance and sustainability characteristics  
Handcrafted in North America  
Adjust from an upright to a fully reclined position with the touch of a button  
Charge electronic devices with the dual USB-A port located in the power button  
Adjust from an upright to a fully reclined position by opening the handle in the arm  
The center console contains two cupholders and a storage compartment  
The power control allows you to independently adjust the recline and headrest.  
A separate home button returns the headrest and footrest to their original positions with one touch.  
A USB port is included on the power control for powering electronics.  
Zero draw technology only uses power when the USB port is in use.  
Power allows you to smoothly recline to any position.  
A single USB port is included on each power button control on styles with arms.
