## NOTES

A clean, transitional design

Padded, soft sloped track arms

Choose from six modular components to build a sectional that fits your space

The straight console contains two cupholders for drinks

Adjust the recline and headrest positions with the touch of a button

Charge electronic devices with the single USB-A port located in the power button

Sustainably sourced wood frame delivers exceptional durability

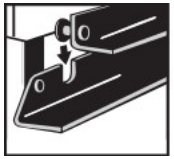

Contoured, high-density foam seat cushions provide lasting, everyday comfort and support

Upholstered in your choice of more than 250 select fabrics, including those with performance and sustainability characteristics

Handcrafted in North America

Power allows you to smoothly recline to any position.

A single USB port is included on each power button control on styles with arms.

**Interlocking Brackets**
Interlocking brackets securely attach one sectional component to another to prevent them from separating even when reclining.
