NOTES

A clean, transitional design

Padded, soft sloped track arms

Choose from six modular components to build a sectional that fits your space

The straight console contains two cupholders for drinks

Adjust from an upright to a fully reclined position with the touch of a button

Charge electronic devices with the dual USB-A port located in the power button

Sustainably sourced wood frame delivers exceptional durability

Contoured, high-density foam seat cushions provide lasting, everyday comfort and support

Upholstered in your choice of more than 250 select fabrics, including those with performance and sustainability characteristics

Handcrafted in North America

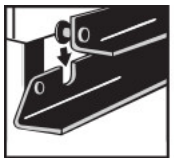
The power control allows you to independently adjust the recline and headrest.

A separate home button returns the headrest and footrest to their original positions with one touch.

A USB port is included on the power control for powering electronics.

Zero draw technology only uses power when the USB port is in use.

Power Recline & Headrest



Interlocking Brackets
Interlocking brackets securely attach one sectional component to another to prevent them from separating even when reclining.
