NOTES

Parachute release on either arm allows sitters to efficiently move between upright and recline positions
Divided back cushions cradle your neck, back and lower lumbar for enhanced comfort
Streamlined inset padded armrests have a seamless look and comfortable feel
Built to last with our patented Flexsteel DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline
Available in over 250 fabrics to suit any décor
Available in durable, cleanable performance fabrics that will withstand everyday use by an active family
Removable back allows for easy lifting and maneuvering through doorways
Footrest easily lowers when you apply pressure in a downward motion
Power controls on both arms effortlessly adjust the recline, keeping you comfortable
USB charging port built into power control keeps devices powered up and ready to use
Home button returns the headrest and footrest to their original positions with one touch
Storage console houses snacks, remotes and other personal items
Two drink holders keep beverages close at hand
Power allows you to smoothly recline to any position.
A single USB port is included on each power button control on styles with arms.
The power control allows you to independently adjust the recline and headrest.
A separate home button returns the headrest and footrest to their original positions with one touch.
A USB port is included on the power control for powering electronics.
Zero draw technology only uses power when the USB port is in use.
