NOTES

A clean, transitional design
Padded, soft sloped track arms
Adjust the recline and headrest positions with the touch of a button
Charge electronic devices with the single USB-A port located in the power button
Sustainably sourced wood frame delivers exceptional durability
Contoured, high-density foam seat cushions provide lasting, everyday comfort and support
Upholstered in your choice of more than 50 durable leathers
Handcrafted in North America
The center seat is stationary, and each end seat can be reclined
Adjust from an upright to a fully reclined position with the touch of a button
Charge electronic devices with the dual USB-A port located in the power button
Adjust from an upright to a fully reclined position by opening the handle in the arm
The center console contains two cupholders and a storage compartment
The power control allows you to independently adjust the recline and headrest.
A separate home button returns the headrest and footrest to their original positions with one touch.
A USB port is included on the power control for powering electronics.
Zero draw technology only uses power when the USB port is in use.
Power allows you to smoothly recline to any position.
A single USB port is included on each power button control on styles with arms.

Power Recline & Headrest
