NOTES

A clean, transitional design
Padded, soft sloped track arms
The center seat is stationary, and each end seat can be reclined
Adjust from an upright to a fully reclined position by opening the handle in the arm
Sustainably sourced wood frame delivers exceptional durability
Contoured, high-density foam seat cushions provide lasting, everyday comfort and support
Upholstered in your choice of more than 50 durable leathers
Handcrafted in North America
Adjust from an upright to a fully reclined position with the touch of a button
Charge electronic devices with the dual USB-A port located in the power button
Adjust the recline and headrest positions with the touch of a button
Charge electronic devices with the single USB-A port located in the power button
The center console contains two cupholders and a storage compartment
Power allows you to smoothly recline to any position.
A single USB port is included on each power button control on styles with arms.
The power control allows you to independently adjust the recline and headrest.
A separate home button returns the headrest and footrest to their original positions with one touch.
A USB port is included on the power control for powering electronics.
Zero draw technology only uses power when the USB port is in use.
