NOTES

- Power allows you to smoothly recline to any position.
- A single USB port is included on each power button control on styles with arms.
- The power control allows you to independently adjust the recline and headrest.
- A separate home button returns the headrest and footrest to their original positions with one touch.
- A USB port is included on the power control for powering electronics.
- Zero draw technology only uses power when the USB port is in use.
