NOTES

Available in more than 99 leather options  
Also available in Kashmir fabric  
Swivels a full 360 degrees.  
Glides or reclines from any swivel position.  
Swivels in all directions while reclined.  
Safety locks prevent the recliner from gliding while reclining.  
Removable backs allow for easy lifting and maneuvering through doorways.  
Power mechanism allows you to smoothly recline to any position.  
Power headrest mechanism allows you to adjust the headrest.  
Two power buttons allow you to operate the reclining and headrest mechanisms independently.  
Single USB port is included on the power button control.  
Safety locks prevent the recliner from rocking while reclining.  
Safety locks prevent the furniture from rocking while reclining  
Removable backs allow for easy lifting and maneuvering through doorways  
Lower the footrest by applying pressure to it in a downward motion. Lowering the footrest with the handle can damage the recliner.  
Power allows you to smoothly recline to any position.  
A single USB port is included on each power button control on styles with arms.  
The power control allows you to independently adjust the recline and headrest.  
A separate home button returns the headrest and footrest to their original positions with one touch.  
A USB port is included on the power control for powering electronics.  
Zero draw technology only uses power when the USB port is in use.
