NOTES

Storage console houses snacks, remotes and other personal items

Two drink holders keep beverages close at hand

Parachute release on either arm allows sitters to efficiently move between upright and recline positions

Divided back cushions cradle your neck, back and lower lumbar for enhanced comfort

Streamlined inset padded armrests have a seamless look and comfortable feel

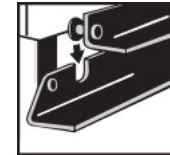

Built to last with our patented Flexsteel DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability

High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline.

Available in over 50 leather options to suit any décor

Removable back allows for easy lifting and maneuvering through doorways

Footrest easily lowers when you apply pressure in a downward motion

Interlocking Brackets

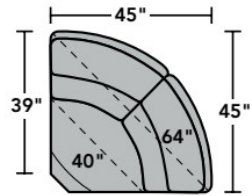

Interlocking brackets securely attach one sectional component to another to prevent them from separating even when reclining.
