NOTES

- Power controls on both arms effortlessly adjust the recline, keeping you comfortable
- Home button returns the headrest and footrest to their original positions with one touch
- USB charging port built into power control keeps devices powered up and ready to use
- Storage console houses snacks, remotes and other personal items
- Two drink holders keep beverages close at hand
- Divided back cushions cradle your neck, back and lower lumbar for enhanced comfort
- Streamlined inset padded armrests have a seamless look and comfortable feel
- Built to last with our patented Flexsteel DualFlex Spring System™—sturdy steel ribbons attached to flexible coils that offer a wide range of motion and durability
- High-density cushions consist of a high-resiliency, high-density polyurethane foam core with a soft fiber wrap that ensures comfort as you sit and recline
- Available in over 50 leather options to suit any décor
- Removable back allows for easy lifting and maneuvering through doorways
- The power control allows you to independently adjust the recline and headrest.
- A separate home button returns the headrest and footrest to their original positions with one touch.
- A USB port is included on the power control for powering electronics.
- Zero draw technology only uses power when the USB port is in use.

Power Recline & Headrest

Interlocking Brackets

Interlocking brackets securely attach one sectional component to another to prevent them from separating even when reclining.
